Insurance

The Fort Christian Psychiatric Center is not contracted with any insurance companies. This means that we do not accept insurance and we do not submit any billing claims to insurance companies. We are considered an “out-of-network” provider. If you wish to be reimbursed by your insurance company, you will be responsible for filing the claim on your own. You will be given a receipt containing all the codes needed by your insurance company, but we cannot guarantee that your insurance company will reimburse for services rendered. We reserve the right to charge additional administrative fees related to insurance claims, when appropriate. **X_____**

Appointments

Our office hours (summer and regular) follow the Fayette County School calendar. When Fayette County schools are closed due to inclement weather, we will also be closed. **X_____**

HOURS: Mon-Thu from 7am to 7pm. Appointments are scheduled on Tuesdays, Wednesdays and Thursdays. We are closed on Fridays and weekends. X_____

Appointments are scheduled as frequently as necessary considering the patient’s clinical condition, and the need for supervision and changes in the medication regimen to properly provide safe medical care. Patients are expected to arrive on time for their appointments. Please note that arriving 10 minutes after your appointment time is considered late. As a courtesy, we will allow late arrivals to be seen **up to 15 minutes** after the scheduled appointment time, and the remainder of the time may be used (This policy does NOT apply to 15-minute sessions). **X_____**

***Once 15 minutes have elapsed, the appointment will be automatically cancelled. Payment for the full fee of the cancelled session will be expected prior to rescheduling the appointment. X_____**

Missing appointments makes it extremely difficult for us to provide safe and efficient patient care. Patients who cancel 3 or more consecutive appointments are subject to termination. Additionally, if a patient has not been seen in 3 months or longer, they may be subject to termination. Patient safety is our utmost concern at The Fort Christian Psychiatric Center, and making and keeping regularly scheduled appointments is an integral component of this safety process—especially when patients are prescribed medication. The frequency of which appointments are scheduled is an important decision made solely at the discretion of Dr. Fortuchang and her clinical judgment. Close adherence to our office policies and pearls of wisdom covenant agreement is vitally important to us as a Christian-centered medical practice. **X_____**

Appointment Reminders for Established Patients

It is always your responsibility to remember the date and time of your appointment. However, as a courtesy (and only after you have provided consent to receive them), an unencrypted appointment reminder will be sent via email from our business email address (office@thefortchristian.com). These reminder emails are typically sent about 3-7 days prior to the appointment. **If, for any reason, the email does not get sent, is sent to your spam folder, or is sent with incorrect information resulting in a late arrival or a missed appointment, TFCPC will not be held responsible.** Dr. Fortuchang will never change an appointment date or time without notifying you first. Please always adhere to the appointment date and time scheduled at the end of your session. Again, if you receive a reminder with incorrect information and you miss your appointment, or if the reminder goes to junk or spam and you never receive it, you will be held solely responsible and will be charged the full cost for that session. X_____

Payment Options

We operate on a fee-for-service basis. We accept American Express, Discover, MasterCard and Visa credit cards, cash, checks, debit cards and health savings cards. Full payment is expected at the time services are rendered. A \$35 fee will be assessed for any returned checks. Writing more than 1 bad check will result in revocation of all check-writing privileges at The Fort Christian Psychiatric Center. X_____

Initial Diagnostic Evaluations & Consultations

Initial Diagnostic Evaluations and Consultations are conducted typically conducted in the morning on Tuesdays, Wednesdays and Thursdays. If you choose to cancel your appointment, then you must do so at least **48 business hours** prior to the exact date and time of the appointment in order to avoid being charged. A cancellation made after **48 business hours to the exact date and time of the appointment** will be charged the full fee for the missed session. ***Tuesday appointments must be cancelled by the previous Thursday.** All no-shows are charged the full fee for the session and **are not granted a future appointment.** X_____

The Initial Diagnostic Evaluation is always considered a consultation. The decision of whether or not subsequent appointments are scheduled, and whether or not a patient-doctor relationship will be established, is made completely by Dr. Fortuchang and The Fort Christian Psychiatric Center. In the event that the initial evaluation is solely a consultation, a consultation report may be made available to you upon request. The individual or their designated guarantor will be fully responsible for all fees incurred at the time of the consultation. X_____

Cancellations and No-Shows for Established Patients Only

Your appointment time is reserved specifically for you. Therefore, The Fort Christian Psychiatric Center adheres to a strict cancellation and no-show policy. **Missed appointments not cancelled within 24 business-hours to the exact date and time of the scheduled appointment will be charged the full rate for the session.** No-shows occur when a patient does not call to cancel their appointment and does not show up for it. **No-shows are ALWAYS charged the full fee for the missed session.** Please note that insurance companies DO NOT reimburse these fees. X_____ To cancel an appointment, you may call and speak with a representative of TFCPC or leave a voice message. To reschedule an appointment, you must speak directly with a representative of TFCPC. Patients with outstanding balances may **NOT** schedule a follow-up appointment until after the balance is paid in full. **Patients are asked to please cancel appointments during business hours.** X_____

Telephone Policy

To provide quality care to her patients, Dr. Fortuchang prefers to personally return calls to her patients. Messages left between the hours of 7am and 7pm on Monday through Thursday will be returned within 24 hours. All messages left after 7pm on Thursday will be returned on the next business day (Monday). X_____

If you are experiencing a life-threatening emergency, do not call the office first. Please call 911 or go to the emergency room.

Extensive Phone Call Policy

For more extensive phone calls please schedule a phone appointment with Dr. Fortuchang. There will be a routine charge for these phone sessions based on the time spent per call. (Please see fee schedule outlined above). This includes phone calls lasting longer than 10 minutes.

*Please note that most insurance companies **will not** reimburse for phone consultation fees.

After Hours, Urgencies and Emergencies

An urgent matter is anything requiring Dr. Fortuchang's attention, which can be fully addressed in the office or via telephone (needing a prescription, having questions about your medication, a recent non-life-threatening stressor, etc.). In other words, it is NOT an emergency.

An emergency is anything that is life-threatening which requires immediate attention and cannot be fully addressed in the office or via telephone. Typically, emergencies require you to call 911 or to go to your nearest emergency room.

During normal business hours, please call the office for any urgent matters. **For urgent matters occurring outside normal business hours that cannot wait until the next business day to be addressed, please call our fax line (770-376-6727).** Your call will be routed directly to Dr. Fortuchang's private voicemail. **Please leave a message** including your name, the patient's name (if different), the best contact number where you can be reached, and the issues concerning you/the patient. **If you leave a message**, Dr. Fortuchang can be notified and your call will be returned as soon as possible.

For emergent matters, please call 911 or go to the nearest emergency room. Also available to you is the Georgia Crisis and Access Line 1-800-715-4225, and the National Suicide Prevention Lifeline at 800-273-8255.

**Patients are expected to call our office to schedule an appointment following any and all emergencies.

Medication Refill Policy

Part of providing quality care is safe monitoring of medication. We make every effort during your appointment to provide enough medication refills to last until your next appointment. Once you have requested your last refill from your pharmacy, we require you to schedule a follow-up appointment before the next refill.

**We charge \$25 for ALL medication refill requests made between appointments.

**Prescriptions are only "called in" for current patients of The Fort Christian Psychiatric Center who maintain their regularly scheduled appointments. Refills for controlled substances will always require an appointment with Dr. Fortuchang.

WE WILL NOT HONOR MEDICATION REFILL REQUESTS FAXED TO US FROM YOUR PHARMACY. PATIENTS MUST CALL OUR OFFICE DURING NORMAL BUSINESS HOURS TO REQUEST MEDICATION REFILLS.

Medication refills will not be called in after hours, over the weekend, or on holidays.

Therefore, we urge you to pay close attention to your medication supply. We encourage you to make prescription requests during your appointment in order to avoid being assessed a \$25 fee.

Photocopies

I agree that photocopies and electronic copies of this form are as valid as the original.

Policy Changes

The Fort Christian Psychiatric Center reserves the right to change/modify/amend/update our office policies at any time. You will be notified of any changes. The updated version will always be available on our website and at our front desk for your review.

Email Policy

*Please note that Dr. Fortuchang prefers to communicate via telephone and no longer engages in email communication with patients or their representatives. However, as a courtesy, she agrees to receive brief emails simply to cancel appointments ONLY. Emails sent with any other information is strictly prohibited and goes directly against our office policy.

Emails are not checked after hours or on weekends. Again, if you are experiencing an urgent matter, then call our office. If you are experiencing an emergency, then call 911 or go to your nearest emergency room. ****URGENT AND/OR EMERGENCY MATTERS SHOULD NEVER BE BROUGHT TO DR. FORTUCHANG'S ATTENTION VIA EMAIL**** Doing so is in direct violation of our office policies and may result in revocation of email privileges. Again, emails sent to TFCPC may only be in reference to an appointment cancellation. Be aware that emails will typically not receive a reply. All other concerns may only be addressed by calling our office.

Note: By choosing to communicate via Email or Internet, you are assuming a certain degree of risk of breach of privacy. The Fort Christian Psychiatric Center cannot ensure the confidentiality of our electronic communications against purposeful or accidental network interception. We will save email correspondence with you and these communications should be considered part of the medical record; therefore, you should consider that our electronic communications may not be confidential and will be included in your medical chart.

Policy for Termination of Treatment

Patients are under no obligation to continue services should they choose to terminate their treatment. **However, it is required that we be notified, in writing, in order to properly begin the termination process.** Similarly, The Fort Christian Psychiatric Center reserves the right, under any circumstances (including failure to adhere to the treatment plan, office policies and pearls of wisdom covenant agreement, etc.) to terminate the doctor-patient relationship at the discretion of Dr. Fortuchang. Patients with inactive charts for 3 months and longer are subject to termination. **We charge \$25 for medical records to be forwarded.** Once treatment is terminated, it is our policy NOT to re-establish the doctor-patient relationship—regardless of how the termination process was initiated. ****PLEASE** note that patients are fully responsible for any and all outstanding balances at the time of termination.

Consent for Treatment at a Christian-Centered Medical/Psychiatric Facility

I have read and initialed the office policies of The Fort Christian Psychiatric Center. I understand them and I agree to adhere to them. I understand that The Fort Christian Psychiatric Center is a Christian, Bible-based practice. I understand that The Bible, Scripture and prayer are used as the foundation for the treatment—as is dictated by The Holy Spirit. I hereby consent to be treated by physicians and/or mental health professionals associated with The Fort Christian Psychiatric Center and Shaw Wendi Fortuchang, M.D., P.C. I understand this consent does not constitute a guarantee about the results of my treatment. I understand that I can terminate this consent for treatment at any time. I also understand that my doctor, prescribing provider, therapist or counselor may terminate consent for treatment at any time, and will discuss the reasons with me if this should occur. Potential reasons include misuse of prescribed medications or mental health services, failure to reimburse for services rendered, failure to keep appointments or repeated cancellations of appointments, etc. I agree that I am personally responsible for ensuring that all charges for services rendered are paid by me, at the time services are rendered. All balances 30 days past due will be deemed delinquent and may carry a late fee equivalent to 1.5% per month of the outstanding balance. Outstanding balances over 90 days may be referred to a collection agency. Delinquent accounts must be paid in full before any future services will be provided.

TFCPC Pearls of Wisdom Covenant Agreement
 Please read the following pearls very closely and in entirety before signing...

1. I will notify The Fort Christian Psychiatric Center / Dr. Fortuchang, immediately, if there are any significant changes in my child’s psychiatric symptoms and/or medical condition (pregnancy, etc.).
2. If I am concerned that my child is having thoughts of hurting him/herself I will notify Dr. Fortuchang immediately. If my child is suicidal or has a medical emergency needing immediate attention, I will call 911 or go to the nearest ER.
3. If my child ever requires psychiatric treatment in an ER and/or hospitalization, I will make sure that Dr. Fortuchang is notified within 24 hours. I will call TFCPC on the next business day to schedule an urgent follow-up appointment. I will inform Dr. Fortuchang of any medication changes made during the hospital visit and/or hospitalization.
4. My child will take medication as prescribed. If I want to increase, decrease, or discontinue the medication, I will discuss with Dr. Fortuchang first. I understand that making changes without Dr. Fortuchang’s permission and guidance is strictly prohibited, potentially dangerous and will affect my child’s standing as a patient at TFCPC.
5. I understand that it is extremely important for my child not to share his/her medication with anyone, and not to take any medication prescribed to someone else. I understand that such actions are strictly prohibited.
6. I understand that obtaining psychiatric medications for my child from any doctor(s) other than Dr. Fortuchang (except during hospitalization) violates the trust and open communication essential to a functional doctor-patient relationship. Such actions are strictly prohibited and may result in termination from TFCPC.
7. I understand that it is dangerous for my child to drink alcohol, misuse prescription medication or use illegal drugs– especially when taking psychiatric medication. I understand that substance abuse/dependence may result in termination of treatment with referral to an addictions specialist, as Dr. Fortuchang is not an addictions specialist.
8. I will notify Dr. Fortuchang if there are any changes to my child’s home address, phone number or e-mail address.
9. I fully understand that The Fort Christian Psychiatric Center does not engage in email correspondence with patients and/or their families. Therefore, I will not expect to receive any response to any email(s) I choose to send, and I will not send any emails containing urgent/emergent/clinical questions or information regarding the treatment.
10. Because safety is extremely important, my child and I will follow the treatment plan outlined by Dr. Fortuchang, and I will ask questions when I do not understand something regarding the psychiatric treatment.
11. I understand that it is my responsibility to keep track of my child’s medication and request any medication refills during the appointment. I am fully aware that refill requests made between appointments are subject to a \$25 fee.
12. I will not allow my child to take any over-the-counter supplements (diet pills, herbal supplements, etc)– especially if being prescribed medication, without first discussing it with Dr. Fortuchang. Such supplements may have adverse effects, may interact with prescribed medication and could worsen certain psychiatric disorders.
13. I fully understand that signing this form does not create a doctor-patient relationship between my child and Shaw Wendi Fortuchang, M.D., and that it is not until after the initial evaluation when it may be mutually agreed upon to create such a doctor-patient relationship.
14. I have read, understand, and agree with the above Pearls of Wisdom and the office policies for TFCPC, and I understand that failure to comply with them could result in termination of my child’s treatment at The Fort Christian Psychiatric Center/Shaw Wendi Fortuchang, M.D., P.C., once becoming a patient.
