DISCLAIMER: A doctor-patient, provider-patient, or therapist-patient relationship is NOT established until the decision is made to create such a relationship at the conclusion of your initial psychiatric diagnostic appointment. Therefore, you will not be considered a patient of Shaw Wendi Fortuchang, M.D., PC / The Fort Christian Psychiatric Center or its associates until then.

Please read each section very carefully before initialing where highlighted.

Insurance: The Fort Christian Psychiatric Center does not accept insurance. If you wish to be reimbursed by your insurance company, you will be responsible for filing the claim on your own. You will receive a superbill receipt from us via email containing all the information needed by your insurance company, but we cannot guarantee that your insurance company will reimburse for services rendered. Therefore, it is your responsibility to find out which CPT procedural codes are reimbursable. Further, we do not submit any billing claims to insurance companies. We do not manage any billing-related insurance issues. All insurance company correspondence should be mailed directly to you, not to us! We reserve the right to charge administrative fees related to insurance claims, when applicable. X_____

Appointments: Our office hours follow the Fayette County School calendar. When Fayette County schools are closed due to inclement weather, we will also be closed. **At least 1 parent must be present and/or available for feedback at some point during every child/adolescent patient appointment.** X_____

HOURS: We are open Mon through Thu from 7am – 7pm. Appointments are on Tuesday, Wednesday & Thursday. Monday is an administrative day. We are closed on Friday, Saturday & Sunday. X_____

Scheduling and Punctuality: To provide safe medical care, appointments are scheduled as frequently as the patient’s clinical symptoms require. Patients are expected to arrive on time for their appointments. Arriving 10 minutes after your appointment time is considered late. As a courtesy, we will allow late arrivals to be seen up to 15 minutes after the scheduled appointment time, allowing for the remainder of the time to be used (this policy does NOT apply to 15-minute sessions). *Once 15 minutes have elapsed, the appointment will be automatically canceled. The patient’s credit card on file will be charged the full cost for the canceled session + the \$2 manual transaction fee. X_____

Missed Appointments: Patients who cancel 3 consecutive appointments are subject to termination. Additionally, if a patient has not been seen in 6 months or longer, they may be subject to termination. Patient safety is our top priority at The Fort Christian Psychiatric Center. Making and keeping regularly scheduled appointments, and adherence to the treatment plan are integral components of this safety process—especially when medication is prescribed. The frequency with which appointments are scheduled is an important and methodical medical decision, involving extensive clinical experience and wisdom, sound judgment and guidance from The Holy Spirit. Close adherence to our office policies and pearls of wisdom agreement is vitally important to us as a Christian-centered medical practice, which helps us to ensure the safety of the patients we have been called by God to treat. X_____

Appointment Reminders for Established Patients: It is always the patient's responsibility to remember the date and time of an appointment. However, as a courtesy we will provide an appointment reminder card at the conclusion of appointments. Also, at the bottom of the superbill receipt we send to patients via email, we will write the date, time and length of the next appointment. And, within the body of these emails, we will write the date, time and length of the next appointment. If you miss an appointment due to receiving an email with incorrect information, or because your email goes to junk/spam and never reaches your inbox, you will be held responsible and will be charged the full cost for that session. **Therefore, always write down the date and time of your next appointment.** X_____

Payment Options: We operate on a fee-for-service basis. We accept cash, checks, most major credit cards (American Express, Discover, MasterCard and Visa), debit cards and health savings / flex spending cards. Full payment is expected at the time services are rendered. A \$35 fee will be assessed for any returned checks. More than 1 bad check will result in revocation of all check-writing privileges. X_____

Initial Diagnostic Evaluations & Consultations: Initial Diagnostic Evaluations and Consultations are typically conducted in the morning on Wednesday through Saturday. If you choose to cancel your appointment, you must do so exactly **48-hours to the date and time of the appointment in order to avoid being charged the full cost. Otherwise the appointment is considered late and will be charged the full cost for the session. Cancellations must be made via email or via our website.** All no-shows are charged the full cost for the session and *are not granted another appointment with us.* X_____

The Initial Diagnostic Evaluation is always considered an evaluation, not a patient appointment. The decision of whether or not a doctor-patient relationship will be established and whether or not subsequent appointments are scheduled is a decision made by Dr. Fortuchang and The Fort Christian Psychiatric Center. In the event that the initial evaluation does not result in a doctor-patient relationship being formed, names of other mental health professionals will be provided. The individual or their designated guarantor will be responsible for the full payment at the time of the evaluation. X_____

Cancellation Policy for Established Patients: Appointments ***must be canceled electronically** (via email or website) within exactly **48 hours to the date & time of the appointment**, otherwise the cancellation is considered late and patients will be charged the full cost for the session. For example, a 4 PM Wed appointment ***must be canceled electronically** (via email or website) by 4 PM on the previous Mon (exactly 48 hours). ***Electronic cancellations provide us with date/time stamped documentation, which is printed and placed in the patient's chart. Do not cancel by calling our office.** X_____

Appointment Cancellation Method: All appointment cancellations must be made electronically via email to dr.fortuchang@thefortchristian.com or office@thefortchristian.com, OR via our website www.thefortchristian.com. Therefore, please do not call our office to cancel an appointment. X_____

- **To cancel an appointment via email:** please only use the email address(es) you provided to us (you are solely responsible for ensuring that our email address is entered correctly). Please include the date and time of the appointment you are choosing to cancel in the body of the email and in the subject line. You will immediately receive an automatic reply to your email and should consider this your confirmation of our receipt of your appointment cancellation. **We will not contact you to confirm our receipt of your cancellation.** X_____

- **To cancel an appointment via our website:** simply log onto it, go to the APPOINTMENT CANCELLATION page and submit the form. You will immediately receive an automatic reply to your submission and should consider this your confirmation of our receipt of your appointment cancellation. **We will not contact you to confirm our receipt of your cancellation.** X___

Rescheduling a Cancelled Appointment: You must call our office to reschedule a canceled appointment for a new date and time. All appointments are scheduled by telephone. X___

No-Shows: No-shows occur when a patient does not contact us to cancel their appointment and does not show up for it. No-shows are always charged the full fee for the missed session and will jeopardize a patient's standing at The Fort Christian Psychiatric Center. Repeat no-shows will result in termination from the practice. Please note that insurance companies do not reimburse these fees. X___

Telephone Policy: To provide quality care to her patients, Dr. Fortuchang prefers to personally return their calls. Messages left during business hours (7am to 7pm on Tue through Sat) will be returned as soon as possible. Messages left after 7pm on Sat will be returned on the next business day (Tue). X___

After Hours, Urgent Matters and Emergencies: An urgent matter is anything requiring Dr. Fortuchang's attention, which can be fully addressed in the office or via telephone (prescription refill, medication questions, a recent non-life-threatening stressor, etc.), but something that cannot wait until the next business day. In other words, it is not an emergency but not something that can wait. X___

An emergency is any life-threatening situation in need of immediate attention, typically requiring a call to 911 or a trip to the nearest emergency room. *Patients must be seen soon after any emergency. X___

During normal business hours, please call the office (770-376-6726) for any urgent matters. X___

For urgent matters occurring after business hours that cannot wait until the next business day to be addressed, please call our after-hours line. Please leave a brief message including your name, the patient's name (if different), your telephone number, and the issues concerning you/the patient. If Dr. Fortuchang is unable to answer immediately, you must leave a message if you expect a return to your call. **Do not call the after-hours line for a medication refill.** X___

**Also available to you is the Georgia Crisis and Access Line 1-800-715-4225, and the National Suicide Prevention Lifeline at 800-273-8255. X___

**If you are experiencing a life-threatening emergency call 911 or go to the emergency room. X___

**Patients are expected to contact us immediately AFTER contacting emergency services. X___

Medication Refill Policy: While we make every effort during your appointment to provide enough medication refills to last until your next appointment, patients share the responsibility of monitoring their need for a medication refill. Patients should either bring their medication bottles to each appointment OR write down how many pills are left in each bottle AND whether or not any refills remain. X___

Medication Refill Policy, continued: **We charge \$25/medication for all medication refill requests made between appointments. **To avoid this is to either bring your medication bottles to appointment, OR write down how many pills are in each bottle AND whether or not any refills remain.** X_____

**Prescriptions are only “called in” for current patients of The Fort Christian Psychiatric Center who are in good standing and who maintain their regularly scheduled appointments. X_____

WE WILL NOT HONOR MEDICATION REFILL REQUESTS FAXED TO US FROM YOUR PHARMACY. PATIENTS MUST CALL OUR OFFICE DURING NORMAL BUSINESS HOURS TO REQUEST MEDICATION REFILLS. X_____

Medication refills will not be called in after hours, on days when we are closed, or on holidays. X_____

Without exception, prescriptions that are lost in the mail, lost by the patient, or lost by the pharmacy will be charged a \$25 fee. X_____ ***Duplicate prescription refill requests are always charged a \$25 fee.** X_____

Outside Food & Beverages: Because this is a physician’s office, we do not allow outside food and beverages (excluding water) in our office. **Please do not bring these items with you.** X_____

Photocopies: I agree that photocopies and electronic copies of this form are as valid as the original. X_____

Email Policy: We use email to receive appointment cancellations and to send superbill receipts. Email containing clinical information is strictly prohibited and goes directly against our office policy. Clinical concerns and urgent matters are to be addressed via telephone by calling our office. X_____

Note: By choosing to communicate via Email or Internet, you are assuming a certain degree of risk of breach of privacy. The Fort Christian Psychiatric Center cannot ensure the confidentiality of our electronic communications against purposeful or accidental network interception. We will save email correspondence with you and they will be considered part of the medical record. Therefore, you should consider that any electronic communication may not be confidential and will be included in your medical chart. X_____

Policy for Termination of Treatment: Patients are under no obligation to continue services should they choose to terminate treatment. However, it is required that we be notified, *in writing*, in order to properly begin the termination process. Similarly, The Fort Christian Psychiatric Center reserves the right, under any circumstances (including choosing to go against medical advice, failure to adhere to the treatment plan, office policies and pearls of wisdom agreement, etc.) to terminate the doctor-patient relationship at the discretion of Dr. Fortuchang. Patients with inactive charts for 6 months and longer are subject to termination. A formal letter of termination will be mailed to the home address on file. X_____.

Terminations occur for a reason. Therefore, it is our policy not to re-establish the doctor-patient relationship—regardless of how the termination process was initiated. **Please note that patients are fully responsible for any and all outstanding balances at the time of termination. X_____

Although legally and ethically bound to break confidentiality under these circumstances, we will attempt to discuss with you first. X_____

TFCPC PEARLS OF WISDOM COVENANT AGREEMENT

Please read the following pearls very closely and in entirety before signing...

1. I will notify The Fort Christian Psychiatric Center / Dr. Fortuchang, immediately, if there are any significant changes in my child's psychiatric symptoms and/or medical condition (pregnancy, etc.).
2. If I am concerned that my child is having thoughts of hurting him/herself I will call Dr. Fortuchang immediately. If my child is suicidal or has a medical emergency needing immediate attention, I will call 911 or go to the ER.
3. If my child ever requires psychiatric treatment in an ER and/or hospitalization, I will make sure that Dr. Fortuchang is notified within 24 hours. I will call TFCPC on the next business day to schedule a follow-up appointment. I will inform Dr. Fortuchang of any medication changes at the hospital and/or hospitalization.
4. My child will take medication as prescribed. If I want to increase, decrease, or discontinue the medication, I will discuss with Dr. Fortuchang first. I understand that making changes without Dr. Fortuchang's permission and guidance is strictly prohibited, potentially dangerous and will affect my child's standing as a patient at TFCPC.
5. I understand that it is extremely important for my child not to share his/her medication with anyone, and not to take any medication prescribed to someone else. I understand that such actions are strictly prohibited.
6. I understand that obtaining psychiatric medications for my child from any doctor(s) other than Dr. Fortuchang (except during hospitalization) violates the trust and open communication essential to a functional doctor-patient relationship. Such actions are strictly prohibited and may result in termination from TFCPC.
7. I understand that it is dangerous for my child to drink alcohol, misuse prescription medication or use illegal drugs— especially when taking psychiatric medication. I understand that substance abuse/dependence may result in termination of treatment with referral to an addictions specialist, as Dr. Fortuchang is not one.
8. **I will notify Dr. Fortuchang if there are any changes to my child's contact info and credit/debit card on file.**
9. I fully understand that The Fort Christian Psychiatric Center does not engage in email correspondence with patients and/or their families, other than under special circumstances or to send office-wide information. ***I will regularly check my email inbox. *I will reply to all emails (& phone messages) requesting a response!**
10. I will not expect to receive any response to any email(s) I choose to send, and I will not send any emails containing urgent/emergent/clinical questions or information regarding the treatment.
11. Because safety is extremely important, my child and I will follow the treatment plan outlined by Dr. Fortuchang, and I will ask questions when I do not understand something regarding the psychiatric treatment.
12. I understand that it is my responsibility to keep track of my child's medication and request medication refills during the appointment. I am fully aware that refill requests made between appointments result in a \$25 fee.
13. I will not allow my child to take any over-the-counter supplements (diet pills, herbal supplements, etc)— especially if being prescribed medication, without first discussing it with Dr. Fortuchang. Such supplements may have adverse effects, may interact with prescribed medication and could worsen certain psychiatric disorders.
14. I fully understand that signing this form does not create a doctor-patient relationship between my child and Shaw Wendi Fortuchang, M.D., and that it is not until after the initial evaluation when it may be mutually agreed upon to create such a doctor-patient relationship.
15. I have read, understand, and agree with the above Pearls of Wisdom and the office policies for TFCPC, and I understand that failure to comply with them could result in termination of my child's treatment at The Fort Christian Psychiatric Center/Shaw Wendi Fortuchang, M.D., P.C., once becoming a patient.
