DISCLAIMER: A doctor-patient, provider-patient, or therapist-patient relationship is NOT established until the decision is made to create such a relationship at the conclusion of your initial psychiatric diagnostic appointment. Insurance: The Fort Christian Psychiatric Center is not contracted with any insurance companies. This means that we do not accept insurance and we do not submit any billing claims to insurance companies. We are considered an "out-of-network" provider. If you wish to be reimbursed by your insurance company, you will be responsible for filing the claim on your own. You will receive a superbill receipt from us via email containing all the information needed by your insurance company, but we cannot guarantee that your insurance company will reimburse for services rendered. We reserve the right to charge additional administrative fees related to insurance claims, when appropriate. X_____

Appointments: Our office hours follow the Fayette County School calendar. When Fayette County schools are closed due to inclement weather, we will also be closed. X____

HOURS: Mon-Thu from 7am – 7pm. Appointments are scheduled on Tuesdays, Wednesdays and Thursdays. Monday is an administrative day. We are closed on Fridays and weekends. X____

Scheduling and Punctuality: To provide safe medical care, appointments are scheduled as frequently as the patient's clinical symptoms require. Patients are expected to arrive on time for their appointments. Arriving 10 minutes after your appointment time is considered late. As a courtesy, we will allow late arrivals to be seen up to 15 minutes after the scheduled appointment time, allowing for the remainder of the time to be used (this policy does NOT apply to 15-minute sessions). *Once 15 minutes have elapsed, the appointment will be automatically canceled. The patient's credit card on file will be charged the full cost for the canceled session + the $2 manual transaction fee. X_____

Missed Appointments: Patients who cancel 3 consecutive appointments are subject to termination. Additionally, if a patient has not been seen in 6 months or longer, they may be subject to termination. Patient safety is our top priority at The Fort Christian Psychiatric Center. Making and keeping regularly scheduled appointments, and adherence to the treatment plan are integral components of this safety process—especially when medication is prescribed. The frequency with which appointments are scheduled is an important and methodical medical decision, involving extensive clinical experience and wisdom, sound judgment and guidance from The Holy Spirit. Close adherence to our office policies and pearls of wisdom agreement is vitally important to us as a Christian-centered medical practice, which helps us to ensure the safety of the patients we have been called by God to treat. X_____

Appointment Reminders for Established Patients: It is always the patient's responsibility to remember the date and time of an appointment. However, as a courtesy we will provide an appointment reminder card at the conclusion of appointments. Also, at the bottom of the superbill receipt we send to patients via email, we will write the date, time and length of the next appointment. And, within the body of these emails, we will write the date, time and length of the next appointment. If you miss an appointment due to receiving an email with incorrect information, or becase your email goes to junk/spam and never reaches your inbox, you will be held responsible and will be charged the full cost for that session. **Therefore, always write down the date and time of your next appointment**. X_____

Payment Options: We operate on a fee-for-service basis. We accept cash, checks, most major credit cards (American Express, Discover, MasterCard and Visa), debit cards and health savings / flex spending cards. Full payment is expected at the time services are rendered. A $35 fee will be assessed for any returned checks. More than 1 bad check will result in revocation of all check-writing privileges. X_____

Initial Diagnostic Evaluations & Consultations: Initial Diagnostic Evaluations and Consultations are typically conducted in the morning on Tuesdays, Wednesdays and Thursdays. If you choose to cancel your appointment, you must do so at least 48-business hours **to the exact date and time of the appointment in order to avoid being charged the full cost. A cancellation made less than 48-business hours to the exact date and time of the appointment will be charged the full cost for the session.** Because we are closed on Fridays, Friday is **not** counted as a business day. All no-shows are charged the full cost for the session and *are not granted another appointment with us*. X____

The Initial Diagnostic Evaluation is always considered an evaluation, not a patient appointment. The decision of whether or not a doctor-patient relationship will be established and whether or not subsequent appointments are scheduled is a decision made by Dr. Fortuchang and The Fort Christian Psychiatric Center. In the event that the initial evaluation does not result in a doctor-patient relationship being formed, names of other mental health professionals will be provided. The individual or their designated guarantor will be responsible for the full payment at the time of the evaluation. X_____

Cancellation Policy for Established Patients: We have **2 categories** for appointment cancellations:
#1. Appointments scheduled for *less than 12 weeks in the future*. These appointments must be canceled by **48 business hours to the date and exact time of the scheduled appointment**, otherwise patients will be charged the full cost for the session. Because we are closed on Fridays, Friday is not counted as a business day. For example, a 4 PM Monday appointment must be canceled by 4 PM on the previous Wednesday, and a 9 AM Tuesday appointment must be canceled by 9 AM on the previous Thursday. A 1:30 PM Wednesday appointment must be canceled by 1:30 PM on the previous Monday, and a 5:15 PM Thursday appointment must be canceled by 5:15 PM on the previous Tuesday. X_____
#2. Appointments scheduled for *12 weeks or more in the future*. ***This is calculated by counting 12 weeks ahead from the date of the scheduled appointment***. These appointments must be canceled by 1 week to the date of the appointment, ***during or before business hours***, otherwise patients will be charged the full cost for the session. Therefore, a Monday appointment must be canceled by the previous Monday, a Tuesday appointment must be canceled by the previous Tuesday, a Wednesday appointment must be canceled by the previous Wednesday, and a Thursday appointment must be canceled by the previous Thursday. Additionally, these appointments *must be canceled before or during business hours* (**by 7 PM when we close**) otherwise patients will be charged the full cost. X____

No-Shows: No-shows occur when a patient does not contact us to cancel their appointment and does not show up for it. No-shows are always charged the full fee for the missed session and will jeopardize a patient's standing at The Fort Christian Psychiatric Center. Repeat no-shows will result in termination from the practice. Please note that insurance companies do not reimburse these fees. X____

Appointment Cancellation Method: **All appointment cancellations must be made via email to** dr.fortuchang@thefortchristian.com or office@thefortchristian.com, **and/or through our website** www.thefortchristian.com. Therefore, please do not call our office to cancel an appointment. X____
To cancel an appointment via email: you may either write to us (you are solely responsible for ensuring that our email address is entered correctly) or you may reply to an email from us. Please include the date and time of the appointment you are choosing to cancel in the body of the email and in the subject line. **We will not contact you to confirm receipt of the cancellation**. In other words, it is not an emergency but not something that can wait. X____

I understand them and I agree to adhere to them. I understand that TFCPC is a Christian, Bible-based practice. I understand that The Bible, Scripture and prayer are used as the foundation for the treatment—as is dictated by The Holy Spirit. I hereby consent to be treated by physicians and/or mental health professionals associated with The Fort Christian Psychiatric Center and Shaw Wendi Fortuchang, M.D., P.C. I understand this consent does not constitute a guarantee about the results of my treatment. I understand that I can terminate this consent for treatment at any time. I also understand that my doctor, prescribing provider, therapist or counselor may terminate consent for treatment at any time, and will discuss the reasons with me if this should occur. Potential reasons include misuse of prescribed medications or mental health services, failure to reimburse for services rendered, failure to keep appointments or repeated cancellations of appointments, etc. I agree that I am personally responsible for ensuring that all charges for services rendered are paid by me, at the time services are rendered. X_____

Statement of Confidentiality: Under Georgia law communications between patients and psychiatrists are confidential, and under ordinary circumstances, only the patient may waive this privilege. However, there are three clear exceptions in which a psychiatrist is legally and ethically bound to break confidentiality: (1) the patient is imminently dangerous to him or herself, (2) the patient is imminently dangerous to others and/or has made specific threats to harm an identifiable third person, (3) actual or suspected incidents of child abuse. Although legally and ethically bound to break confidentiality under these circumstances, we will attempt to discuss with you first. X_____

I authorize The Fort Christian Psychiatric Center (TFCPC) to provide information concerning my treatment to any physician or therapist who referred me to TFCPC, as well as to my primary care physician for the sole purpose of collaborating fasting baseline lab work when needed. X_____

TFCPC Pearls of Wisdom Covenant Agreement

Please read the following pearls very closely and in entirety before signing…

1. I will notify The Fort Christian Psychiatric Center / Dr. Fortuchang, immediately, if there are any significant changes in my child's psychiatric symptoms and/or medical condition (pregnancy, etc.).

2. If I am concerned that my child is having thoughts of hurting him/herself I will notify Dr. Fortuchang immediately. If my child is suicidal or has a medical emergency needing immediate attention, I will call 911 or go to the nearest ER.

3. If my child ever requires psychiatric treatment in an ER and/or hospitalization, I will make sure that Dr. Fortuchang is notified within 24 hours. I will call TFCPC on the next business day to schedule a follow-up appointment. I will inform Dr. Fortuchang of medication changes at the hospital visit and/or hospitalization.

4. My child will take medication as prescribed. If I want to increase, decrease, or discontinue the medication, I will discuss with Dr. Fortuchang first. I understand that making changes without Dr. Fortuchang's permission and guidance is strictly prohibited, potentially dangerous and will affect my child's standing as a patient at TFCPC.

5. I understand that it is extremely important for my child not to share his/her medication with anyone, and not to take any medication prescribed to someone else. I understand that such actions are strictly prohibited.

6. I understand that obtaining psychiatric medications for my child from any doctor(s) other than Dr. Fortuchang (except during hospitalization) violates the trust and open communication essential to a functional doctor-patient relationship. Such actions are strictly prohibited and may result in termination from TFCPC.

7. I understand that it is dangerous for my child to drink alcohol, misuse prescription medication or use illegal drugs— especially when taking psychiatric medication. I understand that substance abuse/dependence may result in termination of treatment with referral to an addictions specialist, as Dr. Fortuchang is not an addictions specialist.

8. I will notify Dr. Fortuchang if there are any changes to my child's home address, phone number or e-mail.

9. I fully understand that The Fort Christian Psychiatric Center does not engage in email correspondence with patients and/or their families. Therefore, I will not expect to receive any response to any email(s) I choose to send, and I will not send any emails containing urgent/emergent/clinical questions or information regarding the treatment.

10. Because safety is extremely important, my child and I will follow the treatment plan outlined by Dr. Fortuchang, and I will ask questions when I do not understand something regarding the psychiatric treatment.

11. I understand that it is my responsibility to keep track of my child's medication and request any medication refills during the appointment. I am fully aware that requests made between appointments result in a $25 fee.

12. I will not allow my child to take any over-the-counter supplements (diet pills, herbal supplements, etc)— especially if being prescribed medication, without first discussing it with Dr. Fortuchang. Such supplements may have adverse effects, may interact with medication and could worsen certain psychiatric disorders.

13. I fully understand that signing this form does not create a doctor-patient relationship between my child and Shaw Wendi Fortuchang, M.D., and that it is not until after the initial evaluation when it may be mutually agreed upon to create such a doctor-patient relationship.

14. I have read, understand, and agree with the above Pearls of Wisdom and the office policies for TFCPC, and I understand that failure to comply with them could result in termination of my child's treatment at The Fort Christian Psychiatric Center/Shaw Wendi Fortuchang, M.D., P.C., once becoming a patient.
