Insurance

The Fort Christian Psychiatric Center is not contracted with any insurance companies. This means that we do not accept insurance and we do not submit any billing claims to insurance companies. We are considered an "out-of-network" provider. If you wish to be reimbursed by your insurance company, you will be responsible for filing the claim on your own. You will be given a receipt containing all the codes needed by your insurance company, but we cannot guarantee that your insurance company will reimburse services rendered. We reserve the right to charge additional administrative fees related to insurance claims, when appropriate. X_____

Appointments

Our office hours (summer and regular) follow the Fayette County School calendar. When Fayette County schools are closed due to inclement weather, we will also be closed. X____
HOURS: Mon-Thu from 7am – 7pm. Appointments are scheduled on Tuesdays, Wednesdays and Thursdays. We are closed on Fridays and weekends. X____

Appointments are scheduled as frequently as necessary considering the patient's clinical condition, and the need for supervision and changes in the medication regimen to properly provide safe medical care. Patients are expected to arrive on time for their appointments. Please note that arriving 10 minutes after your appointment time is considered late. As a courtesy, we will allow late arrivals to be seen **up to 15 minutes** after the scheduled appointment time, and the remainder of the time may be used **(This policy does NOT apply to 15-minute sessions)**. ***Once 15 minutes have elapsed, the appointment will be automatically cancelled. Payment for the full fee of the cancelled session will be expected prior to rescheduling the appointment.** X_____

Missing appointments makes it difficult for us to provide safe and efficient patient care. Patients who cancel 3 or more consecutive appointments are subject to termination. Additionally, if a patient has not been seen in 3 months or longer, they may be subject to termination. Patient safety is our utmost concern at The Fort Christian Psychiatric Center, and making and keeping regularly scheduled appointments is an integral component of this safety process—especially when patients are prescribed medication. The frequency of which appointments are scheduled is an important decision made solely at the discretion of Dr. Fortuchang and her clinical judgment. Close adherence to our office policies and pearls of wisdom covenant agreement is vitally important to us as a Christian-centered medical practice. X_____

Appointment Reminders for Established Patients

It is always your responsibility to remember the date and time of your appointment. However, as a courtesy (and only after you have provided consent to receive them), an unencrypted appointment reminder will be sent via email from our business email address (office@thefortchristian.com). These reminder emails are typically sent about 3-7 days prior to the appointment. **If, for any reason, the email does not get sent, is sent to your spam folder, or is sent with incorrect information resulting in a late arrival or a missed appointment, TFCPC will not be held responsible. Dr. Fortuchang will never change an appointment date or time without notifying you first. Please always adhere to the appointment date and time scheduled at the end of your session. Again, if you receive a reminder with incorrect information and you miss your appointment, or if the reminder goes to junk or spam and you never receive it, you will be held solely responsible and will be charged the full cost for that session.** X_____

Payment Options

We operate on a fee-for-service basis. We accept American Express, Discover, MasterCard and Visa credit cards, cash, checks, debit cards and health savings cards. Full payment is expected at the time services are rendered. **A $35 fee will be assessed for any returned checks. Writing more than 1 bad check will result in revocation of all check-writing privileges at The Fort Christian Psychiatric Center.** X_____

Initial Diagnostic Evaluations & Consultations Only

Initial Diagnostic Evaluations and Consultations are conducted typically conducted in the morning on Tuesdays, Wednesdays and Thursdays. If you choose to cancel your appointment, then you must do so at least **48 business hours** prior to the exact date and time of the appointment in order to avoid being charged. **A cancellation made after 48 business hours to the exact date and time of the appointment will be charged the full fee for the missed session. *Tuesday appointments must be cancelled by the previous Thursday. All no-shows are charged the full fee for the session and are not granted a future appointment.** X____

The Initial Diagnostic Evaluation is always considered a consultation. The decision of whether or not subsequent appointments are scheduled, and whether or not a patient-doctor relationship will be established, is made completely by Dr. Fortuchang and The Fort Christian Psychiatric Center. In the event that the initial evaluation is solely a consultation, a consultation report may be made available to you upon request. The individual or their designated guarantor will be fully responsible for all fees incurred at the time of the consultation. X_____

Cancellations and No-Shows for Established Patients Only

Your appointment time is reserved specifically for you. Therefore, The Fort Christian Psychiatric Center adheres to a strict cancellation and no-show policy. **Missed appointments not cancelled within 24 business-hours to the exact date and time of the scheduled appointment will be charged the full rate for the session.** No-shows occur when a patient does not call to cancel their appointment and does not show up for it. **No-shows are ALWAYS charged the full fee for the missed session.** Please note that insurance companies DO NOT reimburse these fees. X____ To cancel an appointment, you may call and speak with a representative of TFCPC or leave a voice message. To reschedule an appointment, you must speak directly with a representative of TFCPC. Consent for Treatment at a Christian-Centered Medical/Psychiatric Facility

I have read and initialed the office policies of The Fort Christian Psychiatric Center. I understand them and I agree to adhere to them. I understand that The Fort Christian Psychiatric Center is a Christian, Bible-based practice. I understand that The Bible, Scripture and prayer are used as the foundation for the treatment—as is dictated by The Holy Spirit. I hereby consent to be treated by physicians and/or mental health professionals associated with The Fort Christian Psychiatric Center and Shaw Wendi Fortuchang, M.D., P.C. I understand this consent does not constitute a guarantee about the results of my treatment. I understand that I can terminate this consent for treatment at any time. I also understand that my doctor, prescribing provider, therapist or counselor may terminate consent for treatment at any time, and will discuss the reasons with me if this should occur. Potential reasons include misuse of prescribed medications or mental health services, failure to reimburse for services rendered, failure to keep appointments or repeated cancellations of appointments, etc. I agree that I am personally responsible for ensuring that all charges for services rendered are paid by me, at the time services are rendered. All balances 30 days past due will be deemed delinquent and may carry a late fee equivalent to 1.5% per month of the outstanding balance. Outstanding balances over 90 days may be referred to a collection agency. Delinquent accounts must be paid in full before any future services will be provided. X_____

Statement of Confidentiality: Under Georgia law communications between patients and psychiatrists are confidential, and under ordinary circumstances, only the patient may waive this privilege. However, there are three clear exceptions in which a psychiatrist is legally and ethically bound to break confidentiality: (1) the patient is imminently dangerous to him or herself, (2) the patient is imminently dangerous to others and/or has made specific threats to harm an identifiable third person, (3) actual or suspected incidents of child abuse. Although legally and ethically bound to break confidentiality under the aforementioned circumstances, we will not do so without attempting to discuss it with you first. X_____

I authorize The Fort Christian Psychiatric Center to provide information concerning my treatment to any physician or therapist who referred me to The Fort Christian Psychiatric Center, as well as to my primary care physician for the sole purpose of collaborating my psychiatric care. X_____

TFCPC Pearls of Wisdom Covenant Agreement

Please read the following pearls very closely and in entirety before signing…

1. I will immediately notify The Fort Christian Psychiatric Center (TFCPC) / Dr. Fortuchang if there are any significant changes in psychiatric symptoms and/or medical condition (pregnancy, etc.).

2. If I have thoughts of hurting myself, I will notify Dr. Fortuchang immediately. If I am suicidal or have a medical emergency requiring immediate action, I will call 911 or go to the nearest ER and contact Dr. Fortuchang afterward.

3. If I ever require emergent psychiatric treatment and/or hospitalization, I will make sure that Dr. Fortuchang is promptly notified. I will call TFCPC on the next business day to schedule an urgent follow-up appointment. I will inform Dr. Fortuchang of any medication changes made during hospital visit and/or hospitalization.

4. I will take medication as prescribed. If I want to increase, decrease, or discontinue medication, I will discuss with Dr. Fortuchang first. I understand that making changes without Dr. Fortuchang's permission and guidance is strictly prohibited, potentially dangerous and will impair my standing as a patient at TFCPC.

5. I understand that it is extremely important not to share my medication with anyone, and not to take any medication that has been prescribed to someone else. I understand that such actions are strictly prohibited.

6. I understand that obtaining psychiatric medications from any doctor(s) other than Dr. Fortuchang (except during hospitalization) violates the trust and open communication essential to a functional doctor-patient relationship. Such actions are strictly prohibited and may result in termination from The Fort Christian Psychiatric Center.

7. I understand that it is dangerous to misuse alcohol and prescription medication, or use illegal drugs— especially when taking psychiatric medication. I understand that substance abuse/dependence may result in termination of treatment with referral to an addictions specialist, as Dr. Fortuchang is not an addictions specialist.

8. I will notify Dr. Fortuchang if there are any changes to my home address, phone number or e-mail address.

9. I fully understand that The Fort Christian Psychiatric Center does not engage in email correspondence with patients and/or their families. Therefore, I will not expect to receive any response to any email(s) I choose to send, and I will not send any emails containing urgent/emergent/clinical questions or information regarding the treatment.

10. Because safety is extremely important, I will follow the treatment plan (medication, frequency of appointments, etc.) outlined by Dr. Fortuchang. I will ask questions whenever I do not understand something about the treatment.

11. I understand that it is my responsibility to keep track of my medication and request medication refills during my appointment. I am fully aware that refill requests made between appointments are subject to a $25 fee.

12. I agree not to take any over-the-counter supplements (diet pills, herbal supplements, etc)—especially if I'm being prescribed medication, without first discussing it with Dr. Fortuchang. Such supplements may have adverse effects, may interact with prescribed medication and could worsen certain psychiatric disorders.

13. I understand that failure to follow these pearls of wisdom would be detrimental to treatment and could result in termination from The Fort Christian Psychiatric Center/Shaw Wendi Fortuchang, M.D., P.C.

14. I have read the office policies for The Fort Christian Psychiatric Center (TFCPC) in their entirety. I understand them, I agree with them, and I understand that failure to follow them may result in termination of treatment.

I have read, understand, and agree with the above Pearls of Wisdom.
