Insurance

The Fort Christian Psychiatric Center is not contracted with any insurance companies. This means that we do not accept insurance and we do not submit any billing claims to insurance companies. We are considered an “out-of-network” provider. If you wish to be reimbursed by your insurance company, you will be responsible for filing the claim on your own. You will be given a receipt containing all the codes needed by your insurance company, but we cannot guarantee that your insurance company will reimburse services rendered. We reserve the right to charge additional administrative fees related to insurance claims, when appropriate. X_____

Appointments

Our office hours (summer and regular) follow the Fayette County School calendar. When Fayette County schools are closed due to inclement weather, we will also be closed. X_____

HOURS: Mon-Thu from 7am – 7pm. Appointments are scheduled on Tuesdays, Wednesdays and Thursdays. We are closed on Fridays and weekends. X_____

Appointments are scheduled as frequently as necessary considering the patient’s clinical condition, and the need for supervision and changes in the medication regimen to properly provide safe medical care. Patients are expected to arrive on time for their appointments. Please note that arriving 10 minutes after your appointment time is considered late. As a courtesy, we will allow late arrivals to be seen **up to 15 minutes** after the scheduled appointment time, and the remainder of the time may be used (This policy does NOT apply to 15-minute sessions). ***Once 15 minutes have elapsed, the appointment will be automatically cancelled. Payment for the full fee of the cancelled session will be expected prior to rescheduling the appointment.** X_____

Missing appointments makes it difficult for us to provide safe and efficient patient care. Patients who cancel 3 or more consecutive appointments are subject to termination. Additionally, if a patient has not been seen in 3 months or longer, they may be subject to termination. Patient safety is our utmost concern at The Fort Christian Psychiatric Center, and making and keeping regularly scheduled appointments is an integral component of this safety process—especially when patients are prescribed medication. The frequency of which appointments are scheduled is an important decision made solely at the discretion of Dr. Fortuchang and her clinical judgment. Close adherence to our office policies and pearls of wisdom covenant agreement is vitally important to us as a Christian-centered medical practice. X_____

Appointment Reminders for Established Patients

It is always your responsibility to remember the date and time of your appointment. However, as a courtesy (and only after you have provided consent to receive them), an unencrypted appointment reminder will be sent via email from our business email address (Dr.Fortuchang@thefortchristian.com or Dr.Fortuchang@gmail.com). These reminder emails are typically sent about 3 days prior to the appointment. If, for any reason, the email does not get sent, is sent to your spam folder, or is sent with incorrect information resulting in a late arrival or a missed appointment, TFCPC will not be held responsible. Dr. Fortuchang will never change an appointment date or time without notifying you first. Please always adhere to the appointment date and time that you and Dr. Fortuchang schedule together at the end of your session. **Therefore, if the system sends a reminder email with incorrect information and you are late to or miss your appointment as a result, then you will be held solely responsible and will be charged the full amount for that session.** X_____

Payment Options

We operate on a fee-for-service basis. We accept American Express, Discover, MasterCard and Visa credit cards, cash, checks, debit cards and health savings cards. Full payment is expected at the time services are rendered. **A \$35 fee will be assessed for any returned checks. Writing more than 1 bad check will result in revocation of all check-writing privileges at The Fort Christian Psychiatric Center.** X_____

Initial Diagnostic Evaluations & Consultations

Initial Diagnostic Evaluations and Consultations are conducted typically conducted in the morning on Tuesdays, Wednesdays and Thursdays. If you choose to cancel your appointment, then you must do so at least **48 business hours** prior to the exact date and time of the appointment in order to avoid being charged. **A cancellation made after 48 business hours to the exact date and time of the appointment will be charged the full fee for the missed session. All no-shows are charged the full fee for the session and are not granted a future appointment.** X_____

The Initial Diagnostic Evaluation is always considered a consultation. The decision of whether or not subsequent appointments are scheduled, and whether or not a patient-doctor relationship will be established, is made completely by Dr. Fortuchang and The Fort Christian Psychiatric Center. In the event that the initial evaluation is solely a consultation, a consultation report may be made available to you upon request. The individual or their designated guarantor will be fully responsible for all fees incurred at the time of the consultation. X_____

Cancellations and No-Shows for Established Patients Only

Your appointment time is reserved specifically for you. Therefore, The Fort Christian Psychiatric Center adheres to a strict cancellation and no-show policy. **Missed appointments not cancelled within 24 hours to the exact date and time of the scheduled appointment will be charged the full rate for the session.** No-shows occur when a patient does not call to cancel their appointment and does not show up for it. **No-shows are ALWAYS charged the full fee for the missed session.** Please note that insurance companies DO NOT reimburse these fees. X_____

To cancel an appointment, you may call and speak with a representative of TFCPC or leave a voice message. To reschedule an appointment, you must speak directly with a representative of TFCPC. Once treatment is terminated, it is our policy NOT to re-establish the doctor-patient relationship—regardless of how the termination process was initiated. **PLEASE note that patients are fully responsible for any and all outstanding balances at the time of termination.
